The Honorable Gilda Cobb-Hunter
4188 Five Chop Rd.
Orangeburg, SC 29115

Dear Representative Cobb-Hunter:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina House of Representatives from District 66 because of your proven commitment to conservation and your fight for clean and healthy communities throughout all of South Carolina.

Your support for conservation issues led to an outstanding 106% score on our 2018 scorecard. You have been a consistent voice for protecting the air, land, and water of South Carolina, and we cannot thank you enough for your outstanding leadership on these matters. You have led the charge to support of the right of citizens to a clean and healthy environment by fighting rollbacks to environmental protections and supporting local communities' rights to manage plastic bag pollution. We also appreciate your support for proactive policies that move our state forward – including fighting for the Conservation Bank, energy reform, and solar energy options.

For this and more, we want to see you return to Columbia to continue your leadership and work on these important issues, and we enthusiastically endorse you for re-election.

A key part of our mission is to let South Carolina voters know where elected officials and candidates stand on protecting our air, land and water and on creating a sustainable energy future. When the General Assembly convenes for the January 2021 session, citizens of South Carolina will be depending on you to protect the natural resources that fuel at least a third of our state's economy. We appreciate your willingness to work with us and consider our position when making your decisions on important conservation issues before the House.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
