The Honorable Neal Collins

PO Box 906

Easley, SC 29641

Dear Representative Collins:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina House of Representatives from District 5 because of your proven commitment to conservation and protecting our way of life in South Carolina.

You have been a thoughtful voice for protecting the air, land, and water of South Carolina. Your support of clean energy solutions and energy market reform, reauthorizing the Conservation Bank, defense of our coastline, and protection of wildlife have been critical in the SC House.

We want to see you return to Columbia to continue your leadership and work on these important issues.

A key part of our mission is to let South Carolina voters know where elected officials and candidates stand on protecting our air, land and water and on creating a sustainable energy future. When the General Assembly convenes for the January 2021 session, citizens of South Carolina will be depending on you to protect the natural resources that fuel at least a third of our state's economy. We appreciate your willingness to work with us and consider our position when making your decisions on important conservation issues before the House.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
