The Honorable Tom Davis  
P.O. Drawer 1107  
Beaufort, SC 29901-1107

Dear Senator Davis:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina Senate from District 46 because of your outstanding commitment to conservation and protecting our way of life in South Carolina.

Your leadership on clean energy has been nothing short of outstanding. From introducing and shepherding the Energy Freedom Act across the line in the Senate, to introducing legislation to expand solar access for customers across the state, to holding the PSC accountable for their decisions, to championing energy market reform, you have been a clear and consistent clean energy champion.

But you haven't stopped there. You've stood strong against offshore drilling, fought against rolling back citizens' rights to a clean and healthy environment (particularly related to nuisance legislation and other rollbacks), and worked to hold polluters accountable for their actions and put an end to solid waste loopholes.

I am proud you count you among our conservation champions and former Green Tie Award winners. We want to see you return to Columbia to continue your leadership and work on these important issues.

A key part of our mission is to let South Carolina voters know where elected officials and candidates stand on protecting our air, land and water and on creating a sustainable energy future. When the General Assembly convenes for the January 2021 session, citizens of South Carolina will be depending on you to protect the natural resources that fuel at least a third of our state's economy. We appreciate your willingness to work with us and consider our position when making your decisions on important conservation issues before the Senate.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
