The Honorable Larry Grooms
131 Indian Field Dr.
Bonneau, SC 29431

Dear Senator Grooms:

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina Senate from District 37 because of your commitment to conservation and protecting our way of life in South Carolina.

Your support for conservation issues led to an outstanding 103% score on our 2020 Conservation Scorecard and a lifetime score of 81%. You have been a passionate and consistent voice for protecting the air, land, and water of South Carolina, and we cannot thank you enough.

From advancing clean energy, to reauthorizing the Conservation Bank, to standing firm against offshore drilling, you have been a clear conservation champion. We especially appreciate your passion for conservation and your support for bold clean energy and land protection goals for South Carolina – including moving our state to 100% clean energy by 2050 and protecting 30% of South Carolina’s land and water by 2030.

For this and more, we want to see you return to Columbia to continue your leadership and work on these important issues, and we enthusiastically endorse you for re-election.

A key part of our mission is to let South Carolina voters know where elected officials and candidates stand on protecting our air, land and water and on creating a sustainable energy future. When the General Assembly convenes for the January 2021 session, citizens of South Carolina will be depending on you to protect the natural resources that fuel at least a third of our state’s economy. We appreciate your willingness to work with us and consider our position when making your decisions on important conservation issues before the Senate.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
