The Honorable Krystle Matthews

405 Erskine St. Apt. A

Ladson, SC 29456

Dear Representative Matthews:

I am pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina House of Representatives from District 117 because of your proven commitment to conservation.

You have been a consistent voice for protecting the air, land, and water of South Carolina, with a 78% score on our 2020 conservation scorecard. Your support of clean energy solutions, opposition to offshore drilling, and support of the right of citizens to a clean and healthy environment by fighting rollbacks to environmental protections have been critical in the SC House.

You have been a clear voice for protecting the air, land, and water of South Carolina and ensuring South Carolina communities are free of pollution - we cannot thank you enough. That is why we want to see you return to Columbia to continue your work on these important issues.

A key part of our mission is to let South Carolina voters know where elected officials and candidates stand on protecting our air, land and water and on creating a sustainable energy future. When the General Assembly convenes for the January 2021 session, citizens of South Carolina will be depending on you to protect the natural resources that fuel at least a third of our state's economy. We appreciate your willingness to work with us and consider our position when making your decisions on important conservation issues before the House.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,
