March 3, 2020

The Honorable Marlon Kimpson

28 Bridgeside Blvd.

Mt. Pleasant, SC 29464

Dear Senator Kimpson:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina Senate from District 42 because of your outstanding commitment to conservation and protecting our way of life in South Carolina.

Your support for conservation issues has led to a 101% lifetime score on our Conservation Scorecard! Your leadership on conservation issues has been consistent, steadfast, and inspiring. When polluters threaten to roll back citizens' rights to a clean and healthy environment, we know we can count on you to stand up for what is right. When utility monopolies seek to kill solar energy and competition, we know you'll fight for pollution-free energy generation. And when the conservation community needs a passionate and effective champion, we know you will stand beside us. From your support on clean energy and land protection to your opposition to offshore drilling, nuisance rollbacks, and Automatic stay rollbacks, you have been a steadfast conservation champion.

For this and more, we want to see you return to Columbia to continue your leadership and work on these important issues, and we enthusiastically endorse you for re-election.

A key part of our mission is to let South Carolina voters know where elected officials and candidates stand on protecting our air, land and water and on creating a sustainable energy future. When the General Assembly convenes for the January 2021 session, citizens of South Carolina will be depending on you to protect the natural resources that fuel at least a third of our state's economy. We appreciate your willingness to work with us and consider our position when making your decisions on important conservation issues before the Senate.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Tynan".

John Tynan

Executive Director
