The Honorable Leola Robinson-Simpson  
19 Prince Avenue  
Greenville, SC 29605

Dear Representative Robinson-Simpson:

We are pleased to inform you that Conservation Voters of South Carolina (CVSC) has endorsed your re-election to the South Carolina House of Representatives from District 25 because of your proven commitment to conservation.

You have been a consistent voice for protecting the air, land, and water of South Carolina and we greatly appreciate your 96% record on conservation legislation, your support of clean energy solutions, and your opposition to dirty and dangerous offshore drilling.

For this and more, we want to see you return to Columbia to continue your leadership and work on these important issues and we enthusiastically endorse you for re-election.

A key part of our mission is to let South Carolina voters know where elected officials and candidates stand on protecting our air, land and water and on creating a sustainable energy future. When the General Assembly convenes for the January 2021 session, citizens of South Carolina will be depending on you to protect the natural resources that fuel at least a third of our state's economy. We appreciate your willingness to work with us and consider our position when making your decisions on important conservation issues before the House.

You may use our endorsement in your campaign materials as well as on your website and social media pages. Working together, we can provide a clean and healthy South Carolina for future generations.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Tynan".
